

## Top Strike Resources Corp. Announces OTCQB Listing

**February 12, 2020 – Calgary, Alberta** – Top Strike Resources Corp. d.b.a. Vencanna Ventures Inc. ("**Vencanna**" or the "**Corporation**") (CSE: VENI; OTCQB: TPPRF) is pleased to announce that its common shares (the "**Common Shares**") have been approved to commence trading on the OTCQB Venture Market ("**OTCQB**"), a US trading platform that is operated by the OTC Markets Group in New York. Effective today, Vencanna has commenced trading on the OTCQB under the symbol "TPPRF". The Common Shares will continue to trade on the Canadian Securities Exchange (the "**CSE**") under the symbol "VENI".

The Corporation wishes to correct an error made in its press release dated December 17, 2019, in which it was announced that the Common Shares had commenced trading on the OTCQB. The Common Shares instead had commenced trading on the Pink Open Market, also operated by the OTC Markets Group, effective December 16, 2019. As stated above, the Corporation has since completed the approval process to commence trading on the OTCQB.

"The listing of Vencanna's Common Shares to the OTCQB Exchange is an exciting milestone as we remain continually focused on creating value for our shareholders in multiple ways. Even though Vencanna has been a fully reporting company since its inception and listing to the CSE, we believe that the broader exposure afforded by the OTCQB will raise our visibility within the US investment community and assist in increasing the liquidity of our Common Shares. In addition, we believe that trading on this established US based public market will help to generate exposure for Vencanna among institutional investors both in Canada and the US," stated Vencanna CEO David McGorman.

### About Vencanna
