MANAGEMENT INFORMATION CIRCULAR

**FOR THE ANNUAL GENERAL AND SPECIAL MEETING
OF THE HOLDERS OF COMMON SHARES OF
TOP STRIKE RESOURCES CORP. TO BE HELD ON JANUARY 17, 2023**

Dated: December 14, 2022

PURPOSE OF SOLICITATION

This management information circular (the "Information Circular") is furnished in connection with the solicitation of proxies by or on behalf of the management of Top Strike Resources Corp. (the "Corporation") for use at the annual general and special meeting of the holders (the "Shareholders") of the common shares (the "Common Shares") in the capital of the Corporation to be held at the offices of Stikeman Elliott LLP, 4300 Bankers Hall West, 888-3rd Street SW, Calgary, AB T2P 5C5 and via webcast at <https://us05web.zoom.us/j/87480272199> on January 17, 2023 at 11:00 a.m. (Calgary time), and any adjournment or adjournments thereof (the "Meeting") for the purposes set forth in the Notice of Annual General and Special Meeting (the "Notice of Meeting") accompanying this Information Circular.

The Corporation is continuously monitoring the current coronavirus (COVID-19) pandemic. The Corporation reserves the right to take any additional precautionary measures it deems appropriate in relation to the Meeting in response to further developments relating to COVID-19. Changes to the Meeting date and/or means of holding the Meeting may be announced by way of press release. Shareholders are encouraged to monitor the Corporation's website at <http://vencanna.com/> or the Corporation's SEDAR profile at <http://www.sedar.com>, where copies of such press releases, if any, will be posted. The Corporation does not intend to prepare an amended Information Circular in the event of changes to the Meeting format. **All registered Shareholders (the "Registered Shareholders") are strongly encouraged to complete the enclosed form of proxy (the "Form of Proxy") and return it as soon as possible in accordance with the instructions outlined in "Proxy Information – Completion of Proxies", below. Shareholders who do not hold their Common Shares in their own name are strongly encouraged to complete the voting instruction forms received from their broker as soon as possible and to follow the instructions set out under "Proxy Information – Advice to Beneficial Holders of Securities", below.**

RECORD DATE

The Shareholders of record on December 13, 2022 (the "**Record Date**") are entitled to notice of, and to attend and vote at, the Meeting except to the extent that:

1. such person transfers his or her Common Shares after the Record Date; and
2. the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes his or her ownership to the Common Shares and makes a demand to the registrar and transfer agent of the Corporation, not later than 10 days before the Meeting, that his or her name be included on the Shareholders list for the Meeting.

Any Registered Shareholder of the Corporation at the close of business on the Record Date who either personally attends the Meeting or who completes and delivers a proxy will be entitled to vote or have his or her Common Shares voted at the Meeting. However, a person appointed under a form of proxy will be

entitled to vote the Common Shares represented by that form only if it is effectively delivered in the manner set out under the heading “*Proxy Information – Completion of Proxies*”.

PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies is made on behalf of the management of the Corporation. The costs incurred in the preparation of the enclosed Form of Proxy, Notice of Meeting and this Information Circular and costs incurred in the solicitation of proxies will be borne by the Corporation. Solicitation of proxies will be primarily by mail, but may also be in person, by telephone or by electronic means. All currency amounts expressed herein, unless otherwise indicated, are expressed in Canadian dollars.

Completion of Proxies

The Form of Proxy affords Shareholders or intermediaries an opportunity to specify that the Common Shares registered in their name shall be voted for or against or withheld from voting in respect of certain matters as specified in the accompanying Notice of Meeting.

The persons named in the enclosed Form of Proxy are the Chief Executive Officer and the Chief Financial Officer, respectively, of the Corporation.

A REGISTERED SHAREHOLDER OR AN INTERMEDIARY HOLDING COMMON SHARES ON BEHALF OF AN UNREGISTERED SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT ON THEIR BEHALF AT THE MEETING, IN THE PLACE OF THE PERSONS DESIGNATED IN THE FORM OF PROXY FURNISHED BY THE CORPORATION. TO EXERCISE THIS RIGHT, THE SHAREHOLDER OR INTERMEDIARY SHOULD STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE FORM OF PROXY AND INSERT THE NAME OF THEIR NOMINEE IN THE BLANK SPACE PROVIDED, OR SUBMIT ANOTHER APPROPRIATE PROXY.

A proxy must be dated and signed by the Registered Shareholder or by his or her attorney authorized in writing or by the intermediary. In the case of a Registered Shareholder that is a corporation, the proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation with proof of authority accompanying the proxy.

In order to be effective, the Form of Proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, must be mailed or completed online at <https://login.odysseytrust.com/pxlogin> so as to be deposited at the office of the Corporation’s agent, Odyssey Trust Company at Trader’s Bank Building, 702 67 Yonge Street, Toronto, ON M5E 1J8, not later than 11:00 a.m. (Calgary time) on the second last business day (not including Saturdays, Sundays and statutory holidays in the Province of Alberta) preceding the day of the Meeting or any adjournment thereof or deposited with the Chairman of the Meeting on the day of the Meeting prior to the commencement of the Meeting. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution. If a proxy is not dated, it will be deemed to bear the date on which it was mailed by management of the Corporation.

Revocation of Proxies

A Registered Shareholder or intermediary who has submitted a proxy may revoke it by instrument in writing executed by the Registered Shareholder or intermediary or his or her attorney authorized in writing, or, if the Registered Shareholder is a corporation, under its corporate seal and executed by a director, officer or attorney thereof duly authorized, and deposited either: (i) with the Corporation at its offices or at the office of the Corporation’s agent, Odyssey Trust Company, at any time prior to the close of business on the second last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy

is to be used; or (ii) with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting, and upon such deposit the previous proxy is revoked.

Exercise of Discretion by Proxies

A Registered Shareholder or intermediary may indicate the manner in which the persons named in the enclosed Form of Proxy are to vote with respect to any matter by checking the appropriate space. On any poll, those persons will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the directions, if any, given in the Form of Proxy. If the Registered Shareholder or intermediary wishes to confer a discretionary authority with respect to any matter, the space should be left blank. **IN SUCH INSTANCE, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE MOTION.**

The enclosed Form of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter. However, if any other matters which are not now known to management should properly come before the Meeting, the proxies in favour of management nominees will be voted on such matters in accordance with the best judgment of the management nominees.

Advice to Beneficial Holders of Securities

The information set forth in this section is of significant importance to many investors who do not own Common Shares in their own name (“Beneficial Shareholders”). You are most likely a Beneficial Shareholder if your bank, trust company, securities broker, trustee, or other financial institution (your nominee) holds your Common Shares in their name or the name of another intermediary. Beneficial Shareholders should note that only proxies deposited by Registered Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares on the Record Date can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker or other intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder’s broker, an agent of that broker or another intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). **Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for their clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate persons.**

In accordance with applicable securities law requirements, the Corporation will have distributed copies of the Notice of Meeting, Form of Proxy and this Information Circular (the “**Meeting Materials**”) to the intermediaries for distribution to Beneficial Shareholders. Intermediaries are required to forward the Meeting Materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Beneficial Shareholders.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of that broker) is typically similar to the Form of Proxy provided to Registered Shareholders by the Corporation. However, the purpose of the broker’s form of proxy is limited to instructing the Registered Shareholder (the broker or agent of the broker)

how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails a scannable voting instruction form in lieu of a form of proxy. The Beneficial Shareholder is requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, the Beneficial Shareholder can call a toll-free telephone number or access the Internet to vote the Common Shares held by the Beneficial Shareholder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions representing the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting, as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the Common Shares voted. Beneficial Shareholders who receive forms of proxies or voting materials from organizations other than Broadridge should complete and return such forms of proxies or voting materials in accordance with the instructions on such materials in order to properly vote their Common Shares at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of the Beneficial Shareholder's broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote such Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent) well in advance of the Meeting.

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as non-objecting beneficial owners or "**NOBOs**". Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to the Corporation are referred to as objecting beneficial owners or "**OBOs**". Neither OBOs nor NOBOs will be receiving a Form of Proxy directly from the Corporation and will instead receive a voting instruction form or other form of proxy from an intermediary as described above. Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), the Corporation has distributed copies of the Meeting Materials to such intermediaries for distribution to Beneficial Shareholders. The Corporation is not relying on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of the Meeting Materials, and paper copies of the Meeting Materials will be sent to all Shareholders. Intermediaries are required to forward the Meeting Materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The Corporation will not be paying for intermediaries to deliver copies of the proxy-related materials and related documents to OBOs. Accordingly, OBOs will not receive copies of the proxy-related materials and related documents unless the OBO or their intermediary assumes the cost of delivery.

If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.

As at the date hereof, there are 181,283,390 fully paid and non-assessable Common Shares and nil Preferred Shares issued and outstanding. The holders of the Common Shares are entitled to receive notice of all meetings of Shareholders and to attend and vote the Common Shares at all such meetings. Each Common Share carries with it the right to one vote. The Preferred Shares may from time to time be issued in one or more series, and the board of directors of the Corporation (the “**Board**”) may fix from time to time before such issue the number of Preferred Shares which is to comprise each series and the designation, rights, privileges, restrictions and conditions attaching to each series of Preferred Shares including, without limiting the generality of the foregoing, any voting rights, the rate or amount of dividends or the method of calculating dividends, the dates of payment thereof, the terms and conditions of redemption, purchase and conversion if any, and any sinking fund or other provisions.

The by-laws of the Corporation provide that a quorum of Shareholders is present at a meeting of Shareholders if at least two (2) persons are present in person or by proxy, each of whom is entitled to vote at the meeting, and who hold or represent by proxy in the aggregate not less than five (5%) percent of the shares entitled to vote at the meeting.

MATTERS TO BE ACTED UPON

The Shareholders of the Corporation will be asked to consider and, if deemed appropriate:

- (a) by ordinary resolution, to fix the Board at eight members;
- (b) by ordinary resolution, to elect the directors of the Corporation;
- (c) by ordinary resolution, to appoint auditors for the ensuing year and to authorize the directors of the Corporation to fix their remuneration;
- (d) by special resolution, to approve a change of name of the Corporation to “Vencanna Inc.”; and
- (e) to transact such other business as may properly come before the Meeting or any adjournments thereof.

Additional detail regarding each of the matters to be acted on at the Meeting is contained below.

FIXING NUMBER OF DIRECTORS

At the Meeting, it is proposed that the number of directors to be elected at the Meeting to hold office until the next annual meeting or until their successors are elected or appointed, subject to the articles of the Corporation, be set at eight. However, management has only designated six nominees, with two spaces to be left vacant for additional directors to be added as may be advisable during the forthcoming year.

Unless otherwise directed, it is the intention of management to vote proxies in the accompanying form in favour of setting the number of directors to be elected at the Meeting at eight.

ELECTION OF DIRECTORS

Action is to be taken at the Meeting with respect to the election of directors. The Shareholders will be asked to pass an ordinary resolution at the Meeting to elect, as directors, the nominees whose names are set forth in the table below. Voting for the election of nominees will be conducted on an individual, and not on a slate, basis. Each nominee elected will hold office until the next annual meeting of the Shareholders or until his successor is duly elected or appointed, unless his office is vacated earlier in accordance with the Corporation's articles.

The Corporation is required by applicable corporate legislation to have an Audit Committee comprised of members of the Board that are considered "financially literate" and a majority of which are considered "independent", as such terms are defined in National Instrument 52-110 – *Audit Committees* ("NI 52-110"). The Corporation has also established a Corporate Governance and Compensation Committee comprised of members of the Board. Please see the discussion under the heading "*Corporate Governance Practices*". The present members of the Audit Committee and the Corporate Governance and Compensation Committee are identified in the table below.

The following information relating to the nominees as directors is based partly on the records of the Corporation and partly on information received by the Corporation from the respective nominees, and sets forth the name and municipality of residence of the persons proposed to be nominated for election as directors, all other positions and offices within the Corporation now held by them, the periods during which they have served as directors of the Corporation, their principal occupations or employments over the past five years and the number of Common Shares beneficially owned, directly or indirectly, or over which control or direction is exercised by each of them as at the date hereof.

Corporate Cease Trade Orders or Bankruptcies

Except as provided herein, none of the above proposed directors are, or within 10 years prior to the date of this Information Circular have been, a director, chief executive officer or chief financial officer of any company that, while such person was acting in that capacity, was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant issuer access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days.

None of the above proposed directors are, or within 10 years prior to the date of this Information Circular have been, a director, chief executive officer or chief financial officer of any company that was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant issuer access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days, that was issued after the proposed director ceased to be a director, chief executive officer or chief

financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Except as provided herein, none of the above proposed directors are, or within 10 years prior to the date of this Information Circular have been, a director or executive officer of any company that, while acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Penalties and Sanctions

None of the above proposed directors have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority, or have entered into a settlement agreement with a securities regulatory authority, or any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the election to the Board of those persons designated above as nominees for election as directors. The Board does not contemplate that any of such nominees will be unable to serve as a director. However, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, proxies in favour of management designees will be voted for another nominee in their discretion, unless the Shareholder has specified in his proxy that his Common Shares are to be withheld from voting on the election of directors.

APPOINTMENT OF AUDITORS

The Shareholders will be asked to pass an ordinary resolution at the Meeting to appoint MNP LLP as auditors of the Corporation, to hold office until the next annual meeting of the Shareholders, at such remuneration to be determined by the Board. MNP LLP was first appointed as the Corporation’s auditors on March 6, 2019 and is the current auditor of the Corporation.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the appointment of MNP LLP as auditors of the Corporation.

CHANGE OF NAME

At the Meeting, Shareholders will be asked to consider and, if thought appropriate, to pass a special resolution (the “**Name Change Resolution**”) authorizing the Board to change the name of the Corporation to “Vencanna Inc.” or such other name as the Board, in its sole discretion, determines appropriate and which all applicable regulatory authorities, including the CSE, may accept, and to amend the Corporation’s articles accordingly (the “**Name Change**”). The Name Change will better align with the Corporation’s operations as a merchant capital firm focused on early-stage global cannabis initiatives.

The Name Change Resolution, substantially in the form set forth below, requires the approval of not less than two thirds of the votes cast in respect thereof by the Shareholders present in person or represented by proxy at the Meeting. The Board believes that the passing of the Name Change Resolution is in the best interest of the Corporation and unanimously recommends that Shareholders vote in favour of the Name Change Resolution.

If approved, the effective date of the Name Change will be the date of issuance of a certificate of amendment under the ABCA.

At the Meeting, Shareholders will be asked to consider and, if thought appropriate, to approve a special resolution in the following form:

“BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:

1. the name of the Corporation be changed to “Vencanna Inc.” or such other name as the Board, in its sole discretion, determines appropriate and subject to the approval of all applicable regulatory authorities;
2. any one director or officer of the Corporation be and is hereby authorized and directed, for and on behalf of the Corporation (whether under corporate seal or otherwise), to execute and deliver articles of amendment, in duplicate, to the Registrar under the Business Corporations Act (Alberta) (“**ABCA**”), and all documents and instruments and to take such other actions as such director or officer may deem necessary or desirable to implement the foregoing special resolutions and the matters authorized hereby, such determination to be conclusively evidenced by the execution and delivery of any such documents or instruments and the taking of any such actions;
3. upon articles of amendment having become effective in accordance with the ABCA, the articles of the Corporation are amended accordingly; and
4. notwithstanding approval of the shareholders of the Corporation as herein provided, the Board may, in its sole discretion, revoke the special resolution before it is acted upon without further approval of the shareholders of the Corporation.”

The Name Change will not affect the validity of currently outstanding share certificates of the Corporation or the trading of the Common Shares. Shareholders will not be required to surrender or exchange any of the certificates representing Common Shares that they currently hold.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the Name Change Resolution.

OTHER MATTERS COMING BEFORE THE MEETING

The Board does not know of any other matters to come before the Meeting other than as referred to in the Notice of Meeting. Should any other matters properly come before the Meeting, the Common Shares

represented by proxy solicited hereby will be voted on such matters in accordance with the best judgement of the person voting such proxy.

CORPORATE GOVERNANCE PRACTICES

In accordance with National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (“**NP 58-201**”), issuers are to disclose the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. The Corporation is also subject to NI 52-110, which has been adopted in each of the Canadian provinces and territories and which prescribes certain requirements in relation to audit committees.

The Board is responsible for the governance of the Corporation. The Board and the Corporation’s management consider good corporate governance to be central to the effective and efficient operation of the Corporation. Below is a discussion of the Corporation’s approach to corporate governance.

Corporate Governance and Compensation Committee

The Board has established a Corporate Governance and Compensation Committee. As of the date hereof, the members of the Corporate Governance and Compensation Committee are Matt Christopherson (Chair), W. Scott McGregor and J. Smoke Wallin. The members of the Corporate Governance and Compensation Committee are independent. The Corporate Governance and Compensation Committee convenes annually and otherwise as deemed appropriate by the Chair of the Corporate Governance and Compensation Committee.

Mandate of the Corporate Governance and Compensation Committee

The Board has adopted a written mandate that sets forth the responsibilities of the Corporate Governance and Compensation Committee, which include:

- (a) developing and reviewing the Corporation’s approach and procedures in relation to governance matters;
- (b) reviewing the competencies and skills of the Board and its individual members to identify and recommend new director nominees annually;

- (c) establishing a process for direct communications with Shareholders, including through the whistleblowing policy;
- (d) reviewing and approving compensation, including salary and bonuses in the form of cash or other compensation, for the Corporation's staff, including the officers of the Corporation but not the Chief Executive Officer;
- (e) reviewing and providing recommendations to the Board on the compensation of the Chief Executive Officer; and
- (f) reviewing and, as appropriate, approving employment contracts or other major agreements for the Corporation's employees.

Nomination of Directors

The Corporate Governance and Compensation Committee has the responsibility to propose to the Board, annually, the members proposed for re-election to the Board and identify and recommend new nominees for the Board. New candidates will be identified having regard to: (a) the competence and skills that the Board considers to be necessary for the Board, as a whole, to possess; (b) the competence and skills that the Board considers each existing director to possess; (c) the competencies and skills that each new nominee will bring to the boardroom; and (d) whether or not each new nominee can devote sufficient time and resources to his or her duties as a member of the Board. The Corporate Governance and Compensation Committee will also assess what competencies and skills the Board, as a whole, should possess and the appropriate size of the Board in order to facilitate effective decision making. The Corporate Governance and Compensation Committee has the power to retain outside advisors as it considers necessary for the proper functioning of the committee, at the Corporation's expense.

Assessments

The Corporate Governance and Compensation Committee has become responsible for establishing and administering a process (including a review by the full Board and discussion with management) for: (a) assessing the effectiveness of the Board as a whole and the committees of the Board; (b) establishing, in consultation with the Board, criteria for Board membership and recommending Board composition; and (c) as circumstances require, assessing the performance and contribution of individual directors. The review will identify any areas where the directors of the Corporation or management believe that the Board could make a better collective contribution to overseeing the affairs of the Corporation.

Compensation Policies and Practices

The Corporation has a Corporate Governance and Compensation Committee to annually review and approve corporate goals and objectives relevant to the Chief Executive Officer and other executive officer compensation, to evaluate the performance of such officers in light of those goals and objectives, and to recommend to the Board for approval the Chief Executive Officer and other executive officer compensation levels based on this evaluation. For more information in respect of the Corporate Governance and Compensation Committee, see "*Corporate Governance and Compensation Committee*" and "*Mandate of the Corporate Governance and Compensation Committee*" above, and "*Summary of Named Executive Officers' Compensation*" in Schedule "A".

Independence of Members of the Board

The Board currently consists of six directors, four of whom are independent based upon the tests for independence set forth in NI 52-110. David McGorman, the Chief Executive Officer, and Jon Sharun, the Executive Director and Chief Financial Officer, are not independent by virtue of being senior officers of the Corporation.

NI 58-101 suggests that the board of directors of a public company should be constituted with a majority of individuals who qualify as independent directors. As disclosed above, 67% percent of the Board are independent directors. In addition, the independent judgment of the Board in carrying out its responsibilities is the responsibility of all directors. The Board exercises its independent supervision over the Corporation's management through a combination of formal meetings of the Board as well as informal discussions amongst the Board members. The independent directors can also hold scheduled meetings at which non-independent directors and members of management are not in attendance. Where matters arise at Board meetings which require decision making and evaluation that is independent of management and interested directors, the meeting breaks into an *in camera* session among the independent and disinterested directors. In addition, the Board has free access to the Corporation's external auditors, legal counsel and to any of the Corporation's officers.

Directorships in Other Reporting Issuers

As of the date hereof, W. Scott McGregor is a Director of Golo Mobile Inc., a NEX listed company, and also a Director of HAW 2 Capital Corp., a Capital Pool Company. There are no directors of the Corporation who presently hold directorships in other reporting issuers.

Orientation and Continuing Education

The Corporate Governance and Compensation Committee has under its mandate the responsibility to ensure that there is in place an education and orientation program for new members of the Board and a continuing education program for all directors and to maintain a Board manual. At present, each new director is given an outline of the nature of the Corporation's business, its corporate strategy and current issues with the Corporation. New directors are also expected to meet with management of the Corporation to discuss and better understand the Corporation's business and will be advised by counsel to the Corporation of their legal obligations as directors of the Corporation. New directors are also given copies of the Corporation's policies. While the Corporate Governance and Compensation Committee has not implemented a formal continuing education program for its directors, the Corporation provides continuing education on an informal basis.

Members of the Board are encouraged to communicate with management, legal counsel and, where applicable, auditors and technical consultants of the Corporation; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Corporation's operations. Board members have full access to the Corporation's records.

Board Mandate

The Board has adopted a written mandate that summarizes, among other things, the Board's duties and responsibilities. The Board is responsible for the overall stewardship of the Corporation and dealing with issues which are pivotal to determining the Corporation's strategy and direction. The Board has directly, and through the appointment of certain committees, put in place an effective system for monitoring the implementation of corporate strategies. The Board is not involved in the day-to-day operations of the Corporation, as these operations are conducted by the Corporation's management. The Board meets regularly to consider and approve the strategic objectives of the Corporation and management plans designed to accomplish those objectives. Where appropriate, key management personnel and professional advisors are invited to attend Board meetings to speak to these issues. The Board also meets as necessary to consider specific developments and opportunities as they arise, including asset acquisitions and dispositions and financing proposals. The Board approves, among other things, all issuances of securities of the Corporation, the appointment of officers, the entering into of lines of credit or other significant borrowing activities and all significant transactions. The Board considers, but has no formal policies, concerning management development and succession and risk management.

Essential to strategic planning is assessing and understanding business risks and related control systems. The Board helps set limits with respect to business risks, to the extent they can be managed, and approves

strategies for minimizing risks. Implementations of these strategies are then monitored by the Board. The Board, through the Audit Committee, requires management of the Corporation to put into place systems to address financial risks and to periodically report to the Board on these systems and risks.

Management has implemented procedures to provide reasonable assurance of effective communication with the Corporation's shareholders and the public. The Corporation's management is responsible for the issuance of press releases and communications with the financial community. The Board reviews and approves all principal continuous disclosure documents, the release of interim and annual financial statements, annual information forms, prospectuses and information circulars.

The Corporate Governance and Compensation Committee is responsible for monitoring the governance systems of the Corporation with a view to ongoing improvements, reviewing the composition of the Board and developing criteria for new Board appointments. The Corporate Governance and Compensation Committee also acts as a nominating committee for new directors, oversees and approves the Corporation's compensation plans and evaluates the overall Board effectiveness.

Board Oversight

The Board exercises its independent supervision over the Corporation's management through a combination of formal meetings of the Board as well as informal discussions amongst the Board members. The independent directors can also hold scheduled meetings at which non-independent directors and members of management are not in attendance. Where matters arise at Board meetings which require decision making and evaluation that is independent of management and interested directors, the meeting breaks into an *in camera* session among the independent and disinterested directors.

Position Descriptions

The Board has developed a written position description for the Chair of the Board and the Chief Executive Officer of the Corporation.

The Board, in conjunction with management, sets the Corporation's annual objectives which become the objectives against which the Chief Executive Officer's performance is measured. The Board has plenary power; any responsibility which is not delegated to management or a Board committee remains with the Board.

Ethical Business Conduct

In establishing its corporate governance practices, the Board has been guided by applicable Canadian securities legislation, including NP 58-201. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interests of its Shareholders, but that it also promotes effective decision making at the Board level.

The Board has adopted a code of business conduct and ethics for its directors, executive officers, employees, and consultants to promote a culture of ethical business conduct within the Corporation. The Board has also adopted a whistleblower policy and a corporate disclosure policy to ensure ethical business conduct and compliance with applicable Canadian securities legislation.

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person

would exercise in comparable circumstances. In addition, as the directors of the Corporation also serve as directors and officers of other companies engaged in similar business activities, directors must comply with the conflict of interest provisions of the ABCA, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke such a conflict.

Summary of Named Executive Officers’ Compensation

The Board has established the Corporate Governance and Compensation Committee. The Corporate Governance and Compensation Committee assists the Board in carrying out its responsibilities to the Corporation with respect to, among other things, compensation matters. The Corporate Governance and Compensation Committee’s responsibilities with respect to compensation matters include but are not limited to: (i) reviewing and, as appropriate, approving, compensation, including salary and bonuses in the form of cash or other compensation, awarded to all of the Corporation’s staff, including the officers of the Corporation but not the Chief Executive Officer; and (ii) reviewing and providing recommendations to the Board on the compensation of the Chief Executive Officer.

The Board relies on the knowledge and experience of its members to set appropriate levels of compensation for future NEOs. When determining NEO compensation, the Board uses all data available to it to ensure that such compensation is set at a level that is both commensurate with the size of the Corporation, responsibilities of the particular NEO and retention of the NEOs, who are considered by the Board to be essential to the success of the Corporation.

The Board reviews the various elements of the NEOs' compensation in the context of the total compensation package (including salary, incentive bonuses and awards of stock options), recommends the NEOs' compensation packages, and where appropriate, engages in benchmarking for the purpose of establishing compensation levels relative to industry peers.

The executive compensation program consists of three components: (a) base compensation in the form of salary; (b) incentive bonuses in the form of cash payments; and (c) subject to shareholder approval, long-term compensation in the form of stock options exercisable for Common Shares ("**Options**") granted under the Stock Option Plan. The stock option component is an essential part of their compensation. No NEO or director of the Corporation is permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation, or held, directly or indirectly, by a Named Executive Officer or director of the Corporation.

Base Compensation and Incentive Bonuses

Base compensation for executive officers of the Corporation is set annually, having regard to the individual's job responsibilities, contribution, experience and proven or expected performance, as well as to market conditions. In setting base compensation levels, consideration is given to such factors as level of responsibility, experience and expertise in addition to the policies of the CSE.

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on corporate and individual performance for executive officers.

Stock Options

To provide a long-term component to the executive compensation program, executive officers of the Corporation are eligible to receive Options. For a description of the purpose behind the Stock Option Plan and a summary of the terms of the Stock Option Plan, see "*Stock Option Plan*", below.

Summary of Directors' Compensation

The directors of the Corporation are entitled to receive compensation for services in their capacity as directors. Members of the Board are entitled to be reimbursed for all reasonable expenses incurred to attend meetings. In addition, the Stock Option Plan allows for the grant of Options to the directors of the Corporation. A summary of the terms of the Stock Option Plan is included under the heading "*Stock Option Plan*" below.

Compensation of the directors of the Corporation is reviewed annually and determined by the Board. The level of compensation for the directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

The following table and notes thereto provide a summary of the compensation paid to the NEOs and directors of the Corporation for the two most recently completed financial years ended April 30, 2022 and 2021:
